## NIAFG CONVENTION/CONFERENCE GUIDELINES

**AMIAS** is an acronym for a current certified **AI-Anon Member Involved in Alateen Service**.

These guidelines, like the Traditions, are a guide to help bind us together in working our 12 steps and maintaining the unity of our group. They are based on experience, thoughtful consideration and common sense. They are necessary for the welfare and enjoyment of everyone attending conventions or conferences. AMIAS, Alateen members and Parent/Legal Guardian (and, if applicable, the Other Adult that accompanied the Alateen) need to read, abide by and help enforce these Guidelines.

1. All conventions/conferences with Alateen participation should conform to the "Alateen Conferences Guideline" (G16). If the event is held outside of the NIAFG Area and a NIAFG AMIAS is willing to serve at the event permission must be received by the Area where the event is held. They will need to request confirmation of certification from our AAPP prior to granting permission for NIAFG AMIAS to serve at that event.
2. Alateen members and AMIAS must abide by these Guidelines at all times for the safety, comfort and welfare of all convention/conference participants and hotel guests.
3. The Convention/Conference Parental Permission and Medical Care form for the Alateen member (under the age of 18) who will attend must be completed and signed by the parent or legal guardian prior to the event. In case of an emergency a copy is needed for the person who will be responsible for the teen while in attendance if not with parent/legal guardian as well as one for the convention/conference..
4. One AMIAS can be responsible for up to four (4) Alateen members. A meeting or activity must include a minimum of 2 AMIAS.
5. Possession or consumption of alcoholic beverages or mind-altering substances **will NOT be tolerated**. No unlawful or unacceptable conduct will be tolerated. Failure to comply will result in discharge from the convention/conference (at the violator's expense for return trip home) and the incident will be reported to the police. Also, unauthorized objects will be confiscated.
6. Smoking is allowed only for those 18 and older, and then only in designated smoking areas.
7. Room doors must remain completely open and all lights turned on whenever a member of the opposite sex is present. Failure to comply will result in discharge from the convention/conference at the violator's expense. This includes AMIAS responsible for Alateens at the convention/conference. Inappropriate behavior between fellow Alateen members will not be tolerated.
8. After 1:00 a.m. all Alateen members must be in a sleeping room or at a scheduled meeting. The hallways must remain free of congestion.
9. Footwear, with soles, must be worn when outside of your room at all times.
10. The hotel halls and lobby must remain free of congestion. Running is not permitted anywhere on the hotel premises. Please keep the lobby and hallways clear of debris and unnecessary noise.
11. All audio equipment must be played at reasonable volumes. 11:00pm to 6:00am audio equipment **MUST** be used at minimal volume. All audio equipment is the responsibility of the owner. Conventions/conferences are not responsible for lost/stolen items.
12. All medications/prescriptions required by participants must be reported to the AMIAS. Check with the hotel for a first aid kit if needed. Bring necessary personal items.
13. To protect anonymity of attendees, **NO** video recording or photography is allowed. Audio recording can only be done at the speaker's consent.

Group Sponsors/AI-Anon members involved in service to Alateen have a great responsibility to the convention or conference. They have the right to refuse a participant who does not abide by the Guidelines, and need not tolerate unacceptable behavior. Always remember to place "Principles above Personalities." Remember that what we do reflects on our groups, the convention/conference and the AI-non/Alateen fellowship. "I Am Responsible."
