Al-Anon Family Groups (AFG)

***Closed Meetings** are for Al-Anon members and prospective members only. These are people who wish to recover from the effects of someone else's drinking.

****Open meetings** may be attended by anyone seeking information about Al-Anon and the Family Disease of Alcoholism, including students and professionals who work with alcoholics and their families.

The Al-Anon Family Groups are a fellowship of relatives and friends of alcoholics who share their experience, strength, and hope in order to solve their common problems. We believe that alcoholism is a family illness and that changed attitudes can aid recovery.
