The Al-Anon Family Groups are a fellowship of relatives and friends of alcoholics who share their experience, strength, and hope in order to solve their common problems. We believe alcoholism is a family illness and that changed attitudes can aid in our recovery from the effects of this disease.

About District 12 Al-Anon/Alateen Meetings

The district currently comprises 13 groups, registered with the Al-Anon World Service Office (WSO), and covers a specific geographic area in east central Illinois. Each Al-Anon group meeting lasts approximately one hour. The only requirement to attend is that there be a problem with alcoholism in a relative or friend. These meetings are open to men and women who come together for mutual aid. They share their common problems and solutions based on experiences and the hope that one day their loved one will find recovery. There are a variety of different people, and different personalities within these Al-Anon groups. If the group you attend is not right for you, please try another group meeting.

The Champaign-Urbana website provides a map of the east central Illinois area. For other available group meetings outside of this area, visit the Southern Illinois Area website for more information. Also, the Al-Anon Family Group Headquarters website provides a lot more information along with available literature to purchase. Sometimes there is literature to purchase at the group meetings as well. We encourage you to browse through the literature and pick the ones just right for you.

There are times when District 12 will host a meeting and all group members are encouraged to participate. This is a business meeting that discusses matters affecting the groups as presented at the Area Assembly meeting, along with the health, financial status, and any questions or concerns within the groups. The District Representative will send a meeting notice and agenda to all the groups within the district with date, time, and place of the meeting. You can send all donations and correspondence to:
