

Example #2 - Quilt Raffle Flyer - 1 of 1

GIFTS of HOPE

2010 Al-Anon Convention Quilt Raffle

The 2010 Illinois State AFG Convention will be held October 9-10, 2010
in Springfield, Illinois at the Abraham Lincoln Hotel

Our Convention would not be complete without the Al-Anon Quilt Raffle. Each quilt tells its own story of the healing power of our program. Each quilt square shares the experience, strength, and hope we find on the journey. Each of you are invited to express your love of the program and your recovery by submitting a quilt square to be included in this year's quilt. This can be an individual or group effort. Whether you know it or not, there is a creative part to all of us, so let your Higher Power guide you in making your quilt square.

Included with this letter is a pre-washer 11" muslin fabric square.

- 1) Please press the square before you begin work.
- 2) From the outside edge of the square, draw a 1 inch border *very lightly* with a pencil or water soluble marker around the entire block. It is important to keep all your work inside that border as the border will be used when assembling the quilt.
- 3) The quilt square can be embroidered, cross stitched, appliquéd or pieced. Please **DO NOT USE PAINT OR PHOTO TRANSFERS.** If you want to draw on the square, use permanent 'gel' ink pens or fabric markers, such as Micron Pigma Pens.
- 4) When complete, mail the square to: **Ruthanne Arnold, 1113 N. Elmwood, Peoria, IL 61606**
- 5) **DEADLINE for submission is June 1, 2010.** ALL squares received will be used even if a few days late. Squares not used in the quilt will become tote bags.

If you have questions or need some help in constructing your quilt square, please call me. If you want additional squares (for yourself or others in your group), please contact me and I will get them to you. (If you have any squares that were not used, please try to get them back to me for use next time – you can bring or send them to the convention.)
Thanks!
